

## *He's All That!*

Some of us know what the Bible has to say about our Lord and Savior Jesus the Christ, but imagine sitting at a desk with nothing but a sheet of paper and a pencil. Take this time and write what He means to you. Without using Bible verses, I ask that you speak in your own words about what you know. Let us begin.....

There are so many god's present in this world, but no god except my God (Jesus Christ) is good all the time. He doesn't have any darkness in Him. So this makes Him perfect! He has these unique attributes that consist of being "Omnipresent" (every where at one time), "Omnipotent" (all powerful), "Omniscient" (all knowing). My God is awesome. There is no other god like that who can match up to my God because only "He's All That!"

Oh yes, He's faithful, He's unchangeable, He's holy, He's graceful, He's righteous, for who knows the infinite mind of God? I know that talking about my Father is enough to make you want to loose your mind! I can't help it, "He's All That!"

Excuse me if it seems like I'm getting excited! You see I'm talking about my God. A God who is merciful, He's loving, He's patient, He's forgiving, He's longsuffering! I can't imagine having my hands nailed to a wooden cross! I can't imagine my feet nailed to a wooden cross! Oh, He did it and He did it for me and you, so that we can have an eternal life in heaven with Him. I am talking about Jesus! Now if you can feel my joy, scream "Hallelujah" because He's All That!

Oh my God, my God, my God! You see He's glorified, He's triune, He's just, He's transcendent and He isn't going any where. He's here forever and ever and ever! This is known as eternal! You see I'm talking about my God and I'm hoping that we serve the same God. If not, I will ask my God to leave you with a little sumethin, sumethin mentioned in the fourth paragraph. "Mercy", because you will need it when you find out you're serving the wrong one! If I offend you with that statement, did I tell you He's a healer?! I'm talking about Christ! Are you talking about Christ? Did you say "yes"? Well in the words of the late Ray Charles "you got the right one baby". Oh yes, "He's All That!"!

He's the King of the creation, He's the King of the universe, He's the King of Kings! His name is before all names. He's a wonderful counselor. He's not going to tell us what we want to hear, instead He's going to tell us what we need to hear. Oh yes, "He's All That!"

There is only one who is the bread of life! There's only one redeemer! There's only one good shepherd! There's only one prince of peace! People of the most high, there is only one way of life and that's through Jesus Christ our Lord and Savior! Don't be deceived, "He's All That!"

I know this meditation sounds like it's related to the one written last week, but I couldn't help!

You see "He's All That!"
