

SO GOOD, YET SO EVIL

FEBRUARY 24, 2025

READ GENESIS 3:4-7

Eve wanted what Satan had to offer. She contemplated it. It sounded so good but little did she think about how evil it was. That man or woman we thrived for. We wanted them in our lives so bad. The situation looked so good. We get involved, only how evil the situation is. That material thing we possess. We wanted it so bad and now you are possibly in debt. Or you can't really afford it. Or did you need it from the beginning?

Since the beginning, God has revealed to us what is good and what is bad. He has informed us of the consequences of our falling for something that is not of Him. Did you listen? Are you listening now? All of us have failed according to the **"So good, yet so evil"** Partaking of something that God acknowledges as evil. Remember, sin can't be measured. Simply put, what did God say about the matter?

NOW READ MATTHEW 4:1-11

Satan's tactics are no different with Jesus. Satan's tactics are the same with all. He comes to steal, kill and destroy with influential ways. If he could just get you to entertain him by listening and by thinking and acting on it, he is satisfied! Satan will make it look, sound and feel good. Once you partake as Adam and Eve did, well you know the rest. Jesus used a tactic called, **"THIS IS THE WAY IT IS."** I'm referring to the word.

That's right, the word overrides! What may be good to man, is possibly evil to Him. Satan simply wants you to ponder and to partake. In other words, to distract you from what is righteous.

SCRIPTURE READING: JOHN 14:30

THOUGHT FOR THE WEEK: Simply ask Jesus, "Is it good for me?"!
