### **The Conversation We Need**

**Jeremiah 33:3** NASB – (3) 'Call to Me and I will answer you, and I will tell you great and mighty things, *which you do not know.*

"Prayer is our wireless connection to God with no roaming fees." This connection has already been paid for, it is always in service and it never goes into roaming. I love the fact that no matter where I am I can pray and know that Jesus is making intercession for me. Even when I am "breaking-up" (or crying), he knows my utterances unto Him. He understands what I am praying and He passes my prayers along to my Heavenly Father. He is not on the other end of the line saying, "You're breaking up. What did you say? I can't understand you. I'm hanging up. Call me back when you have better service." Our call (prayer) to Him will always be heard and answered according to His will.

I thank Him that it does not cost me an arm and a leg to get connected to Him. I can reach Him whether I am on a mountain or in a valley; in a desert or in the middle of an ocean; riding down the road or even laying in my bed. Wherever I am or whatever I am doing at the time, He is there. He made me a promise just as He has made one to you to never leave nor forsake you.

God invited the Prophet Jeremiah's prayer, which appeals to Him to fulfill the aspects of His promises which He guarantees He will attend to. His answer to Jeremiah's prayer was assured in Jeremiah 3:4-26.

This paragraph is not to criticize; it is to get you thinking. How long has it been since you placed a call to Him just to thank Him or to praise Him? Most of our calls are to ask Him for something, but He deserves our praise and our thanks. Give Him a call today...right now. Just think of all the things you have to thank and praise Him for! I promise- you will have an entire list of things to talk to Him about. Concentrate on thanking Him today. We use most of our days to ask Him for things, but today just give Him PRAISE!
