His Word

REVELATION 19:10 NKJV – (10) And I fell at his feet to worship him. But he said to me, “See *that you do not do that!* I am your fellow servant, and of your brethren who have the testimony of Jesus. Worship God! For the testimony of *Jesus is the spirit of prophecy.*”

PROPHECY – (1) the foretelling or prediction of what is to come. (2) something that is declared by a prophet, especially a divinely inspired prediction, instruction, or exhortation. (3) a divinely inspired utterance or revelation: oracular prophecies.

The bible is prophecy. It is the word of God! Holy and complete. It is “His word” that speaks to us His people. When we ignore it, put it off, under estimate it, take it for granted, make excuses, we will experience in this life a deadly cancer.

Cancer - known medically as a malignant neoplasm, is a broad group of various diseases, all involving unregulated cell growth. In cancer, cells divide and grow uncontrollably, forming malignant tumors, and invade nearby parts of the body. The cancer may also spread to more distant parts of the body through the lymphatic system or bloodstream.

Sin is just like a cancer! It will creep through out your life and it can take you out of this world. One seeks medical assistance for cancer and sometimes God (through His sovereignty) will grant those extra days of life, but we experience the consequences. It is the same when God’s word is taken traditionally for granted! Sin creeps in and unfortunately, there are times when he or she has not repented.

The prophecy is taking place right now. It’s all about His word. Faith is conviction with corresponding actions. What do you believe?

THOUGHT FOR THE WEEK

Example is not the main thing in influencing others. It’s the only thing.
