There Was Never A Time He Did Not Exist

The Account of Creation, Christ and the Eternal Word

ROMANS 1:20 NLT – (20) For ever since the world was created, people have seen the earth and sky. Through everything God made, they can clearly see his invisible qualities—his eternal power and divine nature. So they have no excuse for not knowing God.

GENESIS 1:1 NLT – (1) In the beginning God created the heavens and the earth. (2) The earth was formless and empty, and darkness covered the deep waters. And the Spirit of God was hovering over the surface of the waters.

JOHN 1:1-5 NLT – (1) In the beginning the Word already existed. The Word was with God, and the Word was God. (2) He existed in the beginning with God. (3) God created everything through him, and nothing was created except through him. (4) The Word gave life to everything that was created, and his life brought light to everyone. (5) The light shines in the darkness, and the darkness can never extinguish it.

(SCIENTIST ON THE EXISTENCE OF LIFE) The seemingly obvious fact that matter and antimatter particles destroy each other on contact has long puzzled physicists wondering how life, the universe or anything else can exist at all. But new results from a particle accelerator experiment suggest that matter does seem to win in the end. The experiment has shown a small — but significant — 1 percent difference between the amount of matter and antimatter produced, which could hint at how our matter-dominated existence came about. "Many of us felt goose bumps when we saw the result," said Stefan Soldner-Rembold, a particle physicist at the University of Manchester in the United Kingdom. "We knew we were seeing something beyond what we have seen before and beyond what current theories can explain."

Creation versus Evolution. Man has known it from the very beginning, but refuses to give God the honor, glory or credit He so richly deserves. It is not hard to figure out. Read the book!

THOUGHT FOR THE WEEK

Most Christians repent enough to be forgiven, but not enough to see the Kingdom.
