

A NEW WORLD ORDER

DECEMBER 28, 2020

Nehemiah 12:44-13:31 - Nehemiah's Final Reforms

The story of Nehemiah concludes with Nehemiah correcting a series of abuses during a second term as governor. The prophet (Governor) brings things to the order of the Holy one.

God has promised that a new world order will one day emerge—a time when world peace, prosperity, and plenty will fill the earth; a time when wars, famines, floods, disease, and corruption will be things of the past. The true new world order will not be ushered in until the Second Coming of Jesus Christ. In that day true world peace and prosperity will emerge among the nations and will last for a thousand years. Scripture presents a very full description of life and worship during the millennial reign and rule of Jesus Christ.

When “I” speak of a new world order I am referencing to living life as Jesus has called us to live. To be nourished from the spiritual famine that’s in affect. To follow the path or road He has constructed. To live in His righteousness! Remember, there is no new year’s resolution. The time is now. Jesus is waiting, watching and listening.

2020 was a rough year for many and 2021 could be the same or even rougher. If you are in Christ, it will be beautiful! Even at rough times you will have the peace that comes from Him. Draw close to Him and He will draw close to you. Began and end with a healthier prayer life. Remember your diet must change.
