

# BROTHERS, PLEASE GET UP AND REPRESENT!

(PART 1 OF 3)

MARCH 3, 2025

**GENESIS 1:26a NKJV – (26)** Then God said, “Let Us make man in Our image”, according to Our likeness;

Brothers, are you asking yourself, “Why do I matter?” I know we're living in a day when the importance of men has been downgraded, has been reduced, and in some places, totally removed.

Appropriate masculinity has gone unappreciated and undervalued. But God is calling men to rise to a whole new level. Remember, God asked Adam a fundamental question. Adam, where are you? I like to say it like this Adam, where you at? This future of civilization. will be keyed in to **fulfilling your God design**. God created and God given you a role. So, men it's time to rise up! Again, God is challenging men to a new level of manhood.

Personal, family, church and culturalism. And when God's men rise up, we will see changes for the good. But should you not rise up, the Bible makes it clear that things are going to disintegrate. For those who do rise up, though others won't, God will elevate you to the status of your purpose. Your hope is in Him. Next week, God explains our role and why.
