

ON A NEW PATH

December 14, 2020

NUMBERS 14:4 NKJV – (4) So they said to one another, “Let us select a leader and return to Egypt.”

For some the leader will be simply themselves. For others, that leader will be a person who they can control and manipulate to get their way. Both are incorrect! Jesus says that He is the way, the truth and the life. What path do you find yourself on? Is it a compromising path? You remember when we would take that short cut to get to our destination?

I recall the movie, “The Wizard of Oz.” Dorothy (The star) ran into two paths and along the way she ran into friends who help guide her on the correct path (Jesus). They ran into many challenges, but through the protection of the “good witch” of the North, they made it safely and they lived in a new land called Oz. Dorothy returned safely home. For her it was a dream, but for many of us today, it is a reality.

We must get off this path of hatred, compromise, division, lying, cheating, fault finding and the path or road goes on and on. No such thing as a New Year’s resolution. Satan wants to take you to or back to Egypt. As a place you are comfortable with. A place you are complacent with. An old path.

Jesus is showing us the right way of doing life. Won’t you listen and follow?

NOTE: In **Numbers 14:4** you will discover that those who followed the wrong leader lost their lives as well. Just keep reading.

THOUGHT FOR THE WEEK

Following Jesus forces me to focus on where I am rather than where I am not.
