

The “Powerless” generation

JOHN 14:12-14 NIV – (12) Very truly I tell you, whoever believes in me will do the works I have been doing, and they will do even greater things than these, because I am going to the Father. (13) And I will do whatever you ask in my name, so that the Father may be glorified in the Son. (14) You may ask me for anything in my name, and I will do it.

The enemy works overtime to keep you from gaining knowledge. He does not want you to learn about deliverance or the demonic realm because he and his demons are creatures of darkness: “For our fight is not against flesh and blood, but against principalities, against powers, against the rulers of the darkness.”

Satan can only rule where there is darkness or ignorance. So light and revelation expose and weaken his power. You are able to break His power over your life when you know where he is and how he operates.

Many churches are not teaching deliverance. There is such a lack of revelation in this area, and people remain bound, floundering in darkness. People who are taught and trained in deliverance not only will receive deliverance, but they will also be equipped to minister deliverance. They will become a threat to the kingdom of darkness. And they will do even greater things!

Many have not come to the level of truth. Many of these are teaching incorrectly or they do not have the application of God in their life to make an impact into another’s life. They are not using their testimony or they haven’t even repented to their own sins! Therefore, deliverance does not exist! Understand His sovereign will because things will be done His way and not ours! It is for **“His GLORY!”**

Nevertheless, it is happening and He wants to use you and me. First, we must REPENT!!!!!! We must **recognize** our wrong doings! We must **confess** our sin and we must **correct** or **change** that wrong way! This means it starts with the leaders in the church. You can’t heal if you haven’t been healed yourself. The people of God need a testimony and not condemnation! True love and not lustful acceptance (What can I get from them for my own gain).

NOTE TO THE MINISTERS OF GOD: Jesus works confirmed His divine identity (**John 10:11**). But He affirmed to His followers, Very truly I tell you, whoever believes in me will do the works I have been doing, and they will do even greater things than these. Now obviously, He’s not saying that His followers will do every work that He did. We are not God and never will be. Rather, Jesus was talking about the scope of impact. His travels were limited, as were the number of people who heard His voice. But in the years since, “The church” has carried His message to billions all over the world.

And yet, there is more to be done.

SCRIPTURE READING: 1 JOHN 5:5

THOUGHT FOR THE WEEK: Within yourself, **deliverance** must be searched for, because each man makes his own prison.
