Undeserved, But Needed

MATTHEW 6:26 NIV – (26) Look at the birds of the air; they do not sow or reap or store away in barns, and yet your heavenly Father feeds them. Are you not much more valuable than they?

One day I went to Wal-Mart to buy some fertilizer for our plants at home. I walked through the department where the plants were located and noticed that it was raining. There was no roof; only a tall fence protected the area. The water fell right onto the plants, keeping them well nourished. I thought to myself that if God does this for plants that are for sale, how much more will He and has He provided for His people? The question now before us is.... Are we not much more valuable than they?

God has a perfect purpose and plan for your life and it is to glorify His will and His will alone! He doesn't have to do anything for us, but He loves us dearly. Many have turned their back and, yet, He still loves and provides for His people.

In the passage above God is letting us know that we are very important to Him. He has done the ultimate by giving His Son to die on the cross that we may have the ultimate. Take time to ponder this and realize " You and I are just that important to God!" No we do not deserve, but He still provides. Stop what you are doing right now and tell Him...

"Thank You."

As the song goes, "*Never could have made it without You!*"
