"A JOURNEY OF THE HEART"

Remember.....

September 25, 2017

1 CORINTHIANS 11:2 NKJV – (2) Now, I praise you, brethren, that you remember me in all things and keep the traditions just as I delivered *them* to you.

The other week, I misplaced my car key. In the past, I would panic, get frustrated or even have an anxiety attack, but I remembered a method the Holy Spirit taught me about misplacing things. I went through the list.... WHEN did you have it last? WHERE did you have it last? How did it get there? When I trace back to what I know, I always discover what I lost. No worries or aggravation - just humility and joy because I know that method works.

How has God directed you? What is He asking you to do? You know what it is and instead of following the examples of God (keeping the traditions just as He has delivered *them* to you), you instead follow man. And, therefore you are complacent, content, and comfortable in your ways with no joy; frustrated and aggravated with no humility. Yet, still the very answer you are looking for cannot be seen because God has been removed from the equation. Does Satan have you believing your way is right?

Look at the verse above. He says "**REMEMBER**" me in all things. Paul is telling the Corinth church to follow a very important principal! He is telling them to follow the example and traditions only displayed by him. Why? Because Paul is following the dictates of God. The key words are "REMEMBER and "TRADITION." Is it of God or is it of man?
