

SURRENDERING FOR COMPLETENESS

June 15, 2020

JAMES 1:22 NIV - (22) Do not merely listen to the word, and so deceive yourselves. Do what it says.

A very common theme throughout scripture is the encouragement to surrender before God. Converse to surrendering to your instinctual interests, which can be selfish and destructive by nature, relinquishing yourself to God is to pursue truth and righteousness above all else. In this pursuit, we may also cast our distress upon God as we trust in Him in complete surrender. Discover how and why we should surrender to God from this collection of inspiring Bible verses!

When you're feeling crushed, stepped on, abused, misused and alone. Sometimes it's the peeling process. A process that's peels away your old sinful ways and instead, fills you up with the ways of Jesus Christ. God is drawing you closer to His Son, for His glory, Amen.

Reach out your hand and let Him grab it, drawing you closer, as He by His Spirit digs up those roots of self, so that you may look more like Jesus for the Father's glory and for those who have not excepted His drawing, don't fight, surrender and answer that knock on the door of your heart and come home to Jesus.

Giving up self is hard, especially when you feel as though you're letting go of yourself, someone you've known forever.

But the truth is, you haven't really known yourself until you let go and allowed Jesus in and allowing His Holy Spirit to have complete control by reading God's word daily, as His word speaks to you, then you get to know who you really are for the Father's glory.
