### **The Power Of Creation**

**GENESIS 1:1-5 NKJV** – (1) In the beginning God created the heavens and the earth. (2) The earth was without form, and void; and darkness was on the face of the deep. And the Spirit of God was hovering over the face of the waters. (3) Then God said, "Let there be light"; and there was light. (4) And God saw the light, that *it was* good; and God divided the light from the darkness. (5) God called the light Day, and the darkness He called Night. So the evening and the morning were the first day.

You will discover that God is always creating something through out the Bible. Regardless of the creation, since it is God doing the work, you know it will be powerful! So what does creation mean?

**CREATION:** The action or process of bringing something into existence.

I remember praying on a particular morning and it was dark outside. By time I had completed my prayer, I noticed that the darkness outside had turned to light. I thought to myself, "How powerful God's creation is!" Many of us know how it is done, but the fact is, can we do what God has done? Then I thought about the above passage because it tells us that it was the first thing God created, light and darkness. The rest of the chapter tells us other creations God made along with chapter 2.

God demonstrated His power through creation. It is important for us to have a thankful heart for what He has done for us. He created and He created it in order. Thank you, Lord.
