WEEKLY MINISTRY MEDITATIONS

*Pronounced "Soul"*

## *An Incorrect Mindset*

**Proverbs 14:12** NASB (12) "There is a way that seems right to a man, but in the end it leads to death."

How long will the people of God suppress what is known as truth? How long will we insist that we have the answer and it is so contrary to what God teaches us known as truth? How long will we continue to think or say "God is a sometime God". How many times will we use **Jeremiah 17:9** "God knows my heart" out of its defined meaning? It is amazing how the people of God thrive on the wisdom of man instead the wisdom of God. Convinced of the fact that the standards that have been set by God will not, cannot and even should not exceed the way man thinks of a matter! My brothers and sisters in the faith, this is a very dangerous mind set and most of all "**An Incorrect Mindset**".

The "path that seems right" may offer many options and require few sacrifices. Making easy incorrect choices should make us take a second look at our life. Is this solution attractive because it allows me to be lazy and it doesn't require me to change my life style? It doesn't require me to have any moral restraints? The right choice often requires discipline, hard work and self sacrifice. Don't be enticed by apparent shortcuts that seem right but end in eternal and/or physical death.

God reminds us that there are two ways of thinking, His way and our way. He teaches us that His way is by faith, only through Christ, constricted and precise! Christ has emphasized the difficulties of following Him. His way is the truth and the way to eternal life. Our way will lead us straight to hell! He won't be surprised, just the one with "**An Incorrect Mindset**". .
