

BREATHE

OCTOBER 30, 2023

MATTHEW 4:4 NKJV - (4) The Spirit of Christ declares, it is written, man shall not live by bread alone, but by every Word that proceeded out of the mouth of God.

Bread can be defined as the 'breath of life' in recognition of the presence of eternal life in the soul. But when this soul / human spirit is in agreement with one another; this agreement is joined with the Holy Spirit, and the 'three' becomes 'One'...joint heir with the 'Word' ...The Bread of life.

The Kingdom has come, and the believer is fed daily bread when he/she hears, and obeys through: God's WORD, WILL, and WORK, and by way of the Scriptures (fellowship in and with Him; **and through** the events / or experiences in life on earth). The persecutions and sufferings that God allows His people to go through allows each man to reign with Him in His Glory.

When someone breathes IN, they receive that which God is conveying; and breath reciprocates OUT as a reaction to obedience in the Spirit. To 'Breathe' means to change, ones thoughts, words or deeds; and bring them into captivity (in alignment with God's ordained Work). Often times breathing 'Out' shows a reaction to what the Spirit of Christ has shared with you; and that Word is shared with another, so that they may be blessed as well.

For any Christian who believes, this breathing IN and breathing OUT is the very life of the body, soul, and human spirit. **It's life threatening, so breathe!**
