WEEKLY MINISTRY MEDITATIONS

Pronounced "Soul"

Our Sovereign God

At times I would look up into the sky and identify with the beauty created by our Lord. No matter if it is a mostly cloudy day or cloud free, it is He who makes it possible and there is so much more to thank Jesus for, like the fact He died for us on the cross. It is amazing to me, how man will try to take all or even some credit for the beauty and the power we have on this planet.

Why is it as a people of God, it's so hard to figure out how He does things?

Could it be that, God is greater than our understanding? (**Job 36:26 and Proverbs 3:56**) or could it be God's sovereignty is awe inspiring? (**Job 37:23**)

One thing I do know is that God is in control of all! He has blessed us with the perfect gifts that makes our lives so successful. The gift called "salvation" is a necessity so that we may receive that ultimate gift called eternal life. Many will see this as no big deal, when the fact of the matter is "it's very big deal"!

Then I realize that God loves us so much, and His sovereignty just goes on and on. He blesses us with His divine gifts and sometimes we can be so ungrateful! Many of us would take the gift out of the box and either say we don't want it or try to replace it with something we would rather have. So ungrateful! But despite that ungrateful attitude, He keeps His promises and keeps on blessing us.

Take time out to praise, worship, edify and thank God for all. To say he is deserving is an understatement! Give God his due even when you're not up to it. Many know we are not worthy, but he continues to say "come to me my child" and I will take care of you. And he shows us through his actions.

He is a sovereign God. Let us give reverence where reverence is due.

THOUGHT FOR THE WEEK

It was not the nails that held Christ, but his love for you and me.
